(Jenny Lou Carson)

They say a man's home is his castle

He's like a king on a throne

It may be a shack down alongside the track

But everything in it's his own.

So don't think of taking his loved one

It's written Thou shall not steal

Don't rob another man's castle

No matter how lonesome you feel.

--- Instrumental ---

Don't rob another man's castle

Don't take his treasures away

Strange as it seems when you steal a man's dreams

You'll never know then how you'll pay.

So don't rob a man of his loved one

You'll break his heart don't you see

I robbed another man's castle

Now someone just stole her from me...
