(Leon Payne)

I love you because you understand dear
Every single thing I try to do
You're always there to lend a helping hand dear
I love you most because you're you.

No matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me
But most of all I love you cause you're you.

--- Instrumental ---

(I love you most because you're you)

No matter what may be the style nor seasons
I know your heart will always be true
I love you for a hundred thousand reasons
But most of all I love you because you're you...
