(Written by Fred Rose)

I talk to myself about you, dear
I can't realize that we're through
I know in my heart that I'm wastin' my time
When I talk to myself about you.

I talk to my heart about you, dear
I tell it I'll find someone new
But somehow I know I'm just foolin' my heart
When I talk to my heart about you.

I'm trying my best to forget you
But Darlin' it's so hard to do
I can't help but feel that the words are in vain
When I talk to myself about you.

I tell all my friends that it's over
I say I don't care what you do
But they seem to know when the tears fill my eye
That I talk to myself about you.

I talk to myself about you, dear
I can't realize that we're through
I know in my heart that I'm wastin' my time
When I talk to myself about you...
