(A.P.Carter)

Could been better for us both had we never  
In this wide and wicked world had never met  
Why the pleasures we both seemed together  
I am sure love I'll never forget.

Oh, I'm thinking tonight of my blues eyes  
Who is sailing all over the sea  
Oh, I'm thinking tonight of her only  
And I wonder if she ever thinks of me.

--- Instrumental ---

Oh, you told me once dear that you love me  
And you said that we never would part  
But a link in the chain has been broken  
Leaving me with a sad and aching heart.

Oh, I'm thinking tonight of my blues eyes  
Who is sailing all over the sea  
Oh, I'm thinking tonight of her only  
And I wonder if she ever thinks of me.

--- Instrumental ---

When the cold cold grave shall inclose me  
Won't you come dear and she'd just one tear  
And say to the strangers around you  
Of your heart you have broken last year.

Oh, I'm thinking tonight of my blues eyes  
Who is sailing all over the sea  
Oh, I'm thinking tonight of her only  
And I wonder if she ever thinks of me...
