Just a little lovin' will go a long way
And you'll make me happy the rest of my days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way.

Ever since the time began love has ruled the world
Eve and Adam set the pace and started a whirl
I met you and now I know that you're the one for me
Come on back and you will plainly see.

Chorus:

I don't believe you really know how much That I love
you
If you did you'd come on back and make my dreams
come true
Your etes, your lips, your loving kisses seem to linger
yet
I" forgive but please don't you forget.

Chorus:

I don't believe you really know how much That I love
you
If you did you'd come on back and make my dreams
come true
Your etes, your lips, your loving kisses seem to linger
yet
I" forgive but please don't you forget...
