(Rex Griffin)

Why must I love the heartless
One who'll never know the harm she's done
Though love is blind I should have known
Just call me lonesome from now on.

I climb the stairs up to my room
But no one meets me in my gloom
The silence tells me she is gone
Just call me lonesome from now on.

--- Instrumental ---

These walls will hide me when I cry
And hope that heaven lets me die
What good is life when hope is gone
Just call me lonesome from now on...
