Lonely again
No one to love me

You told me that others
Before you were foolish
To cause me to cry

And just when I
Learned to adore you
You kissed one more
Dream goodbye

And left me lonely again
Just like you found me
Lonely again
No one's around me

Just when I'm sure
That my heart is secure
And my teardrops are dry
With a warm glow inside

And this love of mine
Til the end of the line
That's always the time
That I'm lonely again

You told me you
Wanted me only
That this time and
This love would last

You told me I'd
Never be lonely
And now you belong
To the past

And I'm so lonely again
Just like you found me
Lonely again
No one's around me

Just when I'm sure
That my heart is secure
And my teardrops are dry
With a warm glow inside

And this love of mine
Til the end of the line
That's always the time
That I'm lonely again
