Molly

The war began and Henry left his farm  
Left his darling Molly with a baby in her arms  
Now the war was over and their life could begin  
Molly saw her darling standing at the door again

It's so nice to hear your voice again Molly  
So nice to feel your arms around me Molly  
Oh how happy I'd be if I only could see you  
Sweet, sweet Molly (Molly, Molly) please don't cry

Maybe I should have written to let you know ahead of  
time  
But I was afraid that you would worry if you knew that  
I'd gone blind  
Do I hear you crying, Molly please don't cry  
You silly thing, see what you've done  
You've even brought a tear to my eye

Oh how happy I'd be if I only could see you  
Sweet, sweet Molly (Molly, Molly) please don't cry

Where's my son what does he look like, Molly  
Every one says he took after me  
Lord, I wish I could see  
Come here little man,  
Don't be afraid  
I'm your daddy  
Guess he'll get used to me in time,  
won't he Molly

It's so nice to hear your voice again, Molly  
So nice to feel your arms around me, Molly  
Oh how happy I'd be if I only could see you  
Sweet, sweet Molly please don't cry
