(Lewis H. Redner - Phillips Brooks)

O little town of Bethlehem, how still we see Thee lie
Above Thy deep and dreamless sleep, the silent stars
go by

Yet in Thy dark street shineth the everlasting light
The hopes and fears of all the years are met in Thee
tonight.

For Christ is born of Mary and gathered all above
While mortal sleepy angels keep their watch of
wondering love

All morning stars together proclaim the holy birth
In praises sing to God the king and peace to men on
earth.

--- Instrumental ---

O holy Child of Bethlehem descent to us we pray
Cast out our sin and enter in, be born in us today
We hear the Christmas angels the great glad tidings
tell

Oh come to us, abide with us, our Lord Emmanuel.
