(Eddy Arnold - Steve Nelson - Roy Soehnel)

I traded a heart full of love for a handful of kisses

That you were just throwing away

I traded a lifetime of dream for a few carefree  
moments

That you felt like wasting that day.

If I had known you didn't care, I wouldn't be so blue

'Cause I'd have left my heart at home and played the  
game like you.

I'm hoping that you had your fun cause that handful of  
kisses

Has broken my trusting heart in two.

--- Instrumental ---

I gave you a love that was true for a heart that was  
fickle

I wish I had known at the time

You had me fooled for a while 'cause I thought that you  
meant it

When you said that you would be mine.

But now that we have said goodbye I see the light of  
day

I had a moment of happiness but what a price to pay

I traded a heart full of love for a handful of kisses

That you were just throwing away...
