When I want you in my arms when I want you and all your charms

Whenever I want you all I have to do is dream dream dream

When I feel blue in the night and I need you to hold me tight

Whenever I want you all I have to do is dream I can make you mine taste your lips of wine anytime night or day

Only trouble is gee whiz I'm dreaming my life away I need you so that I could die I love you so and that is why

Whenever I want you all I have to do is dream all I have to do is dream

I can make you mine...

Dream dream
