You're just too good to be true
Can't take my eyes off of you
You'd be like heaven to touch
I wanna hold you so much

And long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

Pardon the way that I stare
Is nothing else to compare
The sign of you usually weak
There are no words left to speak

But if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off of you

I love you baby and if it's quite all right
I need you baby to warm your lonely night
I love you baby, trust in me when I say

Oh pretty baby, don't bring me down I pray
Oh pretty baby, come on and find you stay
And let me love you baby let me love you

You're just too good to be true
Can't take my eyes off of you
Can't take my eyes off of you
