Love oh love oh careless love love oh love oh careless
love

Oh love oh love oh careless love oh look what love has
done to me

It's made me cry it's made me moan it's made me cry
it's made me moan

It's made me cry it's made me moan it's made me
leave my happy home

[steel]

Sorrow's sorrow's in my heart sorrow's sorrow's in my
heart

Sorrow's sorrow's in my heart since my love and I did
part

Now I wander all alone now I wander all alone

Now I wander all alone a thousand miles away from
home

[guitar]

How I wish that trail would come how I wish that trail
would come

How I wish that trail would come to take me back where
I come from

Love oh love oh careless love...
