Makes no difference if we two are far apart, dear  
I could never ever love somebody new  
For there isn't any room inside my heart, dear  
'Cause I'm chained to a memory of you

I could never tell another that I long for them  
All those whispered words of love would not be true  
I could never tell another I belong to them  
'Cause I'm chained to a memory of you

Maybe time will wear the links away and then, dear  
They will break and set me free, to love anew  
But, I could never care for someone else again, dear  
While I'm chained to a memory of you

If the world should end tomorrow, I'd be satisfied  
'Cause you're gone and there is nothing I can do  
without you  
All my dreams and precious hopes of yesterday, they  
have died  
Still I'm chained to a memory of you
