(Don Robertson - Hal Blair)

Condemned without trial no chance to explain

Sentenced to be lonely, despised

Condemned without trial to heartache and pain

I thought that you demand me from the life.

As heavens my chance and the world is my jolly

I'm faithful I swear that I am

Condemned without trial someday you may be

Then you'll think of me and understand.

--- Instrumental ---

As heavens my chance and the world is my jolly

I'm faithful I swear that I am

Condemned without trial someday you may be

Then you'll think of me and understand...
