Last night as I laid on the prairie and looked at the
stars in the sky
I wondered if ever a cowboy would drift to that sweet
by and by

Roll along roll along roll on little doggies roll on roll on
Roll along roll along roll on little doggies roll on roll on

The road to that bright happy region is a dim narrow
trail so they say
But the broad one that leads to prediction is posted
and blazed all the way

They say there will be a great roundup and cowboys
like doggies will stand
To be marched by the riders of judgement who are
posted and know every brand

Roll along roll along...
They say he will never forget you that he knows every
action and look
So for safety you'd better get branded have your name
in the great Tally Book

Roll along roll along...
