"Daddy's Little Boy"

You're an angel from Heaven
Sent down from above
Your daddy's little boy
To have and to love

Boy of mine, you're a fine little lady
You're the world to your mommy and daddy
You're a good little soldier who always obeys
You bring me happiness in so many ways

You're as cute as a toy
You're my pride and joy
And your daddy's little boy

You're my proudest possession
Angel from above
You're all the precious things
The dreams are made of

When you grow up like me
You'll still always be
Just your daddy's little boy
