Don't forget I still love you every day we're apart  
Someone else will be kissing you but you'll still be in my  
heart

Don't forget I still love you when his arms hold you tight  
Just remember that I still care though I'm losing you  
tonight

When I told you I love you and promised I'd be true  
And I'll keep that promise my whole life through

I could never forget you and how our love used to be  
Goodbye my darling and don't forget you can always  
come back to me  
Goodbye my darling and don't forget you can always  
come back to me
