(Rogers)

Don't laugh at my love  
It's all that I've got  
You can put him above  
But don't laugh at my love.

I don't have much to offer  
Just my love everyday  
And if that's not enough dear  
There's just one thing I pray.

Just don't laugh at my love  
It's all that I've got  
You can put him above  
But don't laugh at my love.

And when it's all over  
And you've made up your mind  
You decided you need him  
And you leave me behind.

Just don't laugh at my love  
It's all that I've got  
You can put him above  
But don't laugh at my love.

You can put him above  
But don't laugh at my love...
