(Henry Nemo)

Tear a star from mounty sky  
And the sky feels blue  
Tear a petal from a rose  
And the rose weeps too.

Take your heart away from mine  
And mine will surely break  
My life is yours to take  
So please keep us hark awake.

Would you take the wings from birds  
So that they can't fly  
Would you take the ocean's roar  
And leave just a sigh?

All this your heart won't let you do  
This is what I beg of you  
Don't take your love from me.

--- Instrumental ---

All this your heart won't let you do  
This is what I beg of you  
Don't take your love from me...
