Each time I see an evergreen that makes me think of
you
Cause an evergreen is always green and true love's
always true
Your love is like an evergreen standing tall and strong
Evergreen evergreen I'm glad you came along

A perfect love a lasting love a love completely true
Is like a pretty evergreen that never turns to blue
And every tree's not ever green and every love's not
true
Evergreen evergreen I'm lucky I found you
Evergreen evergreen I'm lucky I found you
My pretty evergreen
