(Harold Adamson - Burton Lane)

Everything I have is yours
You're part of me
Everything I have is yours
My destiny.

I would gladly give the sun to you
If the sun were only mine
I would gladly give the earth to you
And the stars that shine.

Everything that I possess
I offer you
Let my dream of happiness
Come true.

I'd be happy just to spend my life
Waiting at your beck and call
Everything I have is yours
My life, my all.

--- Instrumental ---

I'd be happy just to spend my life
Waiting at your beck and call
Everything I have is yours
My life, my all...
