(Four walls too near me closing in on me)  
Out where the bright lights are glowing you're drawn  
like a moth to a flame  
You laugh while the wine's overflowing while I sit and  
whisper your name  
Four walls to hear me four walls to see four walls too  
near me closing in on me  
Sometimes I ask why I'm waiting but my walls have  
nothing to say  
I'm made for love not for waiting but here where you  
left me I'll stay  
Four walls to hear me four walls to see four walls too  
near me closing in on me  
One night with you is like heaven and so while I'm  
walking the floor  
I listen for steps in the hallway and wait for your knock  
on my door  
Four walls to hear me four walls to see four walls too  
near me closing in on me  
Closing in on me
