An old cowboy went ridin' out one dark and windy day
Upon a ridge he rested as he went along his way
When all at once a mighty herd of red eyed cows he
saw
A ploughin' through the ragged skies and up a cloudy
draw
Yi pi yi ay yi pi yi oy the ghost riders in the sky

Their brands were still on fire and their hooves were
made of steel
Their horns were black and shiny and their hot breath
he could feel
A bolt of fear went through him as they thundered
through the sky
For he saw the riders comin' hard and he heard their
mournful cry
Yi pi yi ay yi pi yi oy the ghost riders in the sky

Their faces gaunt their eyes were blurred their shirts all
soaked with sweat
He's ridin' hard to catch that herd but he ain't caught
'em yet
Cause they got to ride forever on that range up in the
sky
On horses snortin' fire as they ride on hear their cry
Yi pi yi ay yi pi yi oy the ghost riders in the sky

As the riders loped on by him he heard one call his
name
If you want to save your soul from hell a ridin' on our
range
Then cowboy change your ways today or with us you
will ride
Tryin' to catch the devil's herd across these endless
skies
Yi pi yi ay yi pi yi oy the ghost riders in the sky
