"Glory Of Love"

You've got to give a little take a little and let your poor
heart break a little
That's the story of that's the glory of love
You've got to laugh a little cry a little before the clouds
roll by a little
That's the story of that's the glory of love

As long as there's the two of us we've got the world
and all its charms
And when the world is through with us we've got each
other's arms
You've got to win a little lose a little and always have
the blues a little
That's the story of that's the glory of love

(As long as there's the two of us we've got the world
and all its charms)
And when the world is through with us we've got each
other's arms
You've got to win a little lose a little and always have
the blues a little
That's the story of that's the glory of love
That's the story of that's the glory of love
