"God Walks These Hills With Me"

We all have treasures we call our own
Mine are these hills I call my home
Just let me live till eternity in these hills
God walks with me

Yes, He walks these hills, these beautiful hills
Where my soul is always free
What a comfort to know, I'm never alone
For God walks these hills with me
Yes, God walks these hills with me

(Every day when the sun goes down
I thank God for the love I've found)
For the contentment each day I see
In these hills God walks with me

Yes, He walks these hills, these beautiful hills
Where my soul is always free
What a comfort to know, I'm never alone
For God walks these hills with me
Yes, God walks these hills with me
