(Goodbye sunshine)

Goodbye sunshine gee but I'll miss your smile  
Don't cry sunshine I'll be back in a while  
And when I'm lonesome and the lonely tears start  
I'll think of you and there'll be bluebirds in my heart

Keep those blue eyes full of love just for me  
And there'll be blue skies anyplace I may be  
And don't you worry everything will be fine I'll walk the  
line  
Here comes the train kiss me again goodbye sunshine  
(Goodbye sunshine)

Keep those blue eyes full of love...  
Goodbye sunshine (goodbye)
