HEAVEN EVERYDAY

(Jerry Foster - Bill Rice)

© '70 Jack & Bill Music

If an angel wears a housewife's dress and fills a house
with happiness

One wakes me gently every morning and serves me
coffee with a kiss

My life is heaven everyday because of all the love you
give

Your smile drives all my cares away and makes life
heaven everyday

If heaven is all they say I know for certain I've found
mine

Her tender touch and understanding makes my life
heaven all the time

My life is heaven everyday...
