(Russell Steagall - Don Lanier)

Here we go again  
She's back in town again  
I'll take her back again  
One more time.

Here we go again  
The phone will ring again  
I'll be her fool again  
One more time.

I've been there before  
And I'll try it again  
But any fool knows  
That there's no way to win.

Here we go again  
She'll break my heart again  
I'll play the part again  
One more time.

Oh, I've been there before  
And I'll try it again  
But any fool knows  
That there's no way to win.

I'll play the part again  
One more time...
