(I've got those mem'ries he's got you)

I've got your picture that you gave to me
And it's signed With Love like it used to be
The only thing different the only thing new
I've got your picture he's with you

I've got the records that we used to share
And they still sound the same as when you were here
The only thing different the only thing new
I've got the records he's got you
I've got your class ring that proved you'd care
And it still looks the same as when you gave it dear
The only thing different the only thing new
I've got these things dear he's got you

The only thing different the only thing new
I've got these little things he's got you
