I don't want to walk without you baby  
Walk without my arm about you baby  
I thought the day you left me behind  
I'd take a stroll and get you right off my mind  
But now I find that I don't want to walk without the  
sunshine  
Why'd you have to turn off all that sunshine  
Oh baby please come back or you'll make my heart for  
me  
Cause I don't want to walk without you no siree  
[ guitar ]  
Oh baby please come back or you'll make my heart for  
me  
Cause I don't want to walk without you no siree
