Oh I just can't help believin' when the smiles up soft  
and gentle  
With a trace of misty morning and a promise of  
tomorrow in her eyes  
And I just can't help believin' when she's lying close  
beside me  
And my heart beats with the rhythm of her sighs  
This time the girl is gonna stay this time the girl is  
gonna stay  
For more than just a day

Oh I just can't help believin' when she slips her hand in  
my hand  
And it feels so small and helpless that my fingers fold  
around it like a glove  
And I just can't help believin' when she's whispering her  
magic  
And her tears are shining honey sweet with love  
This time the girl is gonna stay this time the girl is  
gonna stay  
For more than just a day
