I JUST HAD YOU ON MY MIND
Writer Sue Richards

Don't let this call bother you in any way I just had to
hear your voice One more time, I know you've made a
new life A new life without me, But I'm alright, I just had
had you on my mind Oh, You sound so close, I can
almost feel your touch And remember the way, You
loved me I don't know, What went wrong, All I know is
that your gone, But I'm alright, I just had you on my
mind I'll hang a mount, its been good talking with you I
guess you want to go now, You've got other things to
do Please don't think I'm blue, I just happen to think of
you But I'm alright, I've just had you on my mind I just
had you on my mind You know, You sound so close, I
can almost feel your touch And I remember the way
you loved me And I don't know what went wrong All I
know is that your gone But I'm alright, I just had you on
my mind
