I'LL STRING ALONG WITH YOU

Writers Al Dubin, Harry Warren

You may not be an angel 'Cause angels are so few  
But until the day that one comes along I'll string along with you  
I'm looking for an angel To sing my love song to  
And until the day that one comes along I'll string along with you  
For every little fault that you have Say I have three or four  
The human little fault that you do have  
Just make me love you more You may not be angel  
But still I'm sure you'll do So until that day that one comes along  
I'll string along with you For every little fault that you have  
Say I have three or four The human little fault that you do have  
Just make me love you more You may not be angel  
But still I'm sure you'll do So until that day that one comes along  
I'll string along with you.
