(I love how you love me)

I love how your eyes close whenever you kiss me  
And when I'm away from you I love how you miss me  
I love the way you always treat me tenderly  
But darling most of all I love how you love me

I love how your heart beats whenever I hold you  
I love how you think of me without being told to  
I love the way your touch is always heavenly  
But darling most of all I love how you love me

(I love how your heart beats) whenever I hold you  
(I love how you think of me) without being told to  
I love the way your touch is always heavenly  
But darling most of all I love how you love me

I love how you hug me I love how you squeeze me  
tease me please me  
Love how you love me I love how you love me  
I love how you love me I love how you love me I love  
how you love me
