I want to be sure when I tell you I care
I want to be sure with never a fear

Don't play with my heart
It was broken before
When I tell you I love you
I want to be sure

I want to be sure you've made up your mind
To never forsake me and leave me behind
Don't tell me no lies
I'm easy to lure
When I tell you I love you I want to be sure

(guitar)

I want to be sure as much as you do
No tears in my eyes, no singing the blues
What happened before was hard to endure
When I tell you I love you I want to be sure

I want to be sure when I tell you I care
I want to be sure with never a fear

Don't play with my heart
It was broken before
When I tell you I love you
I want to be sure
