Please don't ask me all
The reasons why I love you
I wouldn't know where to begin

It's like asking me to
Count the stars above you
I wouldn't know where to begin

Why can't our
Love go on forever
To let it end
Would surely be a sin

I could never look
For any other love, dear
I wouldn't know where to begin

Why can't our
Love go on forever
To let it end
Would surely be a sin

I could never look
For any other love, dear
I wouldn't know where to begin
