I'LL STRING ALONG WITH YOU

Writers Al Dubin, Harry Warren

You may not be an angel 'Cause angels are so few But
until the day that one comes along I'll string along with
you I'm looking for an angel To sing my love song to
And until the day that one comes along I'll string along
with you For every little fault that you have Say I have
three or four The human little fault that you do have
Just make me love you more You may not be angel But
still I'm sure you'll do So until that day that one comes
along I'll string along with you For every little fault that
you have Say I have three or four The human little fault
that you do have Just make me love you more You may
not be angel But still I'm sure you'll do So until that day
that one comes along I'll string along with you.
