IF I HAD YOU

Writers Kerry Chater, Danny Mayo

If I had you we'd run like gypsies in the wind  
If I had you we'd count the stars all one by one  
If I had you we'd sail the seven seas as one  
We'd be lovers and we'd be friends  
if I had you We'd make love till they were gone  
oh, if I had you We'd never say it can't be done  
if I had you Cause you light a fire way down in my soul  
The flame keeps growin stronger there ain't no control  
And there's nothing, no there's nothing I know there's  
nothing that I wouldn't do  
If I had you
