(Johnny Mercer - Henry Mancini)

I'll give you three guesses who loves you
Who's loved you right from the start
And not your mother who likes to baby you so
And not the boy back home you used to know oh no.

There's somebody special
Who needs you together or apart
Bet you don't need three guesses and not even two
To know that I'm the one sweetheart.

--- Instrumental ---

Oh yes, there's somebody special
Who needs you together or apart
Bet you don't need three guesses and not even two
To know that I'm the one sweetheart..
