(Ruth Lowe)

I'll never smile again until I smile at you
I'll never laugh again what good would it do
For tears would fill my eyes my heart would realize
That our romance is through.

I'll never love again I'm so in love with you
I'll never thrill again to somebody new
Within my heart I know I will never start to smile again
Until I smile at you.

--- Instrumental ---

I'll never love again I'm so in love with you
I'll never thrill again to somebody new
Within my heart I know I will never start to smile again
Until I smile at you...
