(A.P.Carter)

Could been better for us both had we never
In this wide and wicked world had never met
Why the pleasures we both seemed together
I am sure love I'll never forget.

Oh, I'm thinking tonight of my blues eyes

Who is sailing all over the sea

Oh, I'm thinking tonight of her only

And I wonder if she ever thinks of me.

--- Instrumental ---

Oh, you told me once dear that you love me

And you said that we never would part

But a link in the chain has been broken

Leaving me with a sad and aching heart.

Oh, I'm thinking tonight of my blues eyes

Who is sailing all over the sea

Oh, I'm thinking tonight of her only

And I wonder if she ever thinks of me.

--- Instrumental ---

When the cold cold grave shall inclose me

Won't you come dear and she'd just one tear

And say to the strangers around you

Of your heart you have broken last year.

Oh, I'm thinking tonight of my blues eyes

Who is sailing all over the sea

Oh, I'm thinking tonight of her only

And I wonder if she ever thinks of me...
