(Gus Kahn - Isham Jones)

It had to be you, it had to be you
I wandered around and finally found the somebody
who
Could make me be true, could make me be blue
And even be glad just to be sad thinking of you.

Some others I've seen might never be me
Might never be crossed or tried to be bossed but they
wouldn't do
For nobody else gave me a thrill with all your faults I
love you still
It had to be you wonderful you it had to be you.

It had to be you, it had to be you
I wandered around and finally found the somebody
who
Could make me be true, could make me be blue
And even be glad just to be sad thinking of you...
