(It is no secret what God can do)
The chimes of time ring out the news another day is
through
Someone slipped and fell was that someone you
You may have long for added strenght your courage to
renew
Do not be this hearten for I bring hope to you
It is no secret what God can do what he's done for
others he'll do for you
(With arms wide open He'll part anew) it is no secret
what God can do
(There is no night for end his light you'll never walk
alone
Always feel at home wherever you may roam
There is no power can conquer you while God is on
your side
Just take him at his promise don't run away and hide)
It is no secret what God can do what he's done for
others he'll do for you
(With arms wide open He'll part anew) it is no secret
what God can do
(What God can do)

CORRECTED

The chimes of time ring out the news another day is
through
Someone slipped and fell was that someone you
You may have long for added strenght your courage to

What He's done for others He'll do for you
With arms wide open He'll (pardon you)
It is no secret what God can do

There is no night for (in) His light you'll never walk
alone
Always feel at home wherever you may roam

your side
Just take Him at His promise don't run away and hide

It is no secret what God can do
What He's done for others He'll do for you
With arms wide open He'll (pardon you)
It is no secret what God can do
