(Mack David - Fred Spielman)

It only hurts for a little while
That's what they tell me, that's what they say
It only hurts for a little while
Then all your heartaches will pass away.

It's so easy to be smart with somebody else's heart
But I don't know how to start forgetting you, what can I
do
It only hurts for a little while, that's what they tell me
just wait and see
But I will hurt till you come back to me.

It's so easy to be smart with somebody else's heart
But I don't know how to start forgetting you, what can I
do
It only hurts for a little while, that's what they tell me
just wait and see
But I will hurt till you come back to me.

(It only hurts for a while...)
