"Laughing On The Outside"

The crowd sees me out dancing carefree and
romancing
Happy with my someone new
I'm laughing on the outside crying on the inside
Cause I'm still in love with you

They see me night and day time having such a gay
time
They don't know what I go through
I'm laughing on the outside crying on the inside
Cause I'm still in love with you

No one knows it's just a pose pretending I'm glad we're
apart
And when I cry my eyes are dry the tears are in my
heart

My darling if you make up ever since I break up
Make believe is all I do
I'm laughing on the outside crying on the inside
Cause I'm still in love with you

No one knows it's just a pose...
My darling if you make up...
