A little bitty tear let me down
Spoiled my act as a clown
I had it made up not to make a frown
But a little bitty tear let me down

When you said you were leaving tomorrow
That today was our last day
I said there'd be no sorrow
That I'd laugh when you walked away

But a little bitty tear let me down...
[ac.guitar]
I said I'd laugh when you left me
Full of funny as you went out the door
That I'd have another one waiting
I'd wave goodbye as you go
But a little bitty tear let me down...
[ac.guitar]
Everything went out like I planned it
And I really put on quite a show
In my heart I felt I could stand it
Till you walked with your grip through the door

But a little bitty tear let me down...
A little bitty tear let me down
A little bitty tear let me down
