(Gene Austin - Nathaniel Skillkret)

Look down look down that lonesome road before you
travel on
Look up look up and seek your maker fore Gabriel
blows his horn
Weary totin' such a load draggin' down that lonesome
road
Look down look down that lonesome road before you
travel on.

--- Instrumental ---

True love true love what have I done that you should
treat me so
You caused me to walk and talk like I never did before
Weary totin' such a load draggin' down that lonesome
road
Look down look down that lonesome road before you
travel on.
Before you travel on...
