Oh oh oh love me like that love me like that  
And darling love me forever

Old man and woman a beautiful sight  
Still so in love makes the whole world seem bright  
Their age is a symbol of a wonderful thing  
The happiness true love can bring

Oh oh oh love me like that...

Be mine forever I want nothing more  
I'll leave you never my heart's very sure  
All that I ask is forever be true love me as I love you

Oh oh oh love me like that...  
And darling love me forever
