Where do I begin to tell the story of how great a love
can be?

The sweet love story that is older than the sea
The simple truth about the love she brings to me,
where do I start?

With her first hello she gave new meaning to this empty
world of mine

They'll never be another love another time
She came into my life and made the living fine, she fills
my heart

She fills my heart with very special things
With angel songs with wild imaginings
She fills my soul with so much love that anywhere I go
I'm never lonely
With her along who could be lonely I reach for her hand
it's always there

How long does it last can love be measured by the
hours in a day?
I have no answers now but this much I can say
I know I'll need her till the stars all burn away and she'll
be there

How long does it last can love be measured by the
hours in a day?
I have no answers now but this much I can say
I know I'll need her till the stars all burn away and she'll
be there
